Education

Graduated May 2025
New York University
Tandon School of Engineering
B.S. Integrated Design & Media
GPA: 3.5

Experience

KITE
Automation Intern
June 2025 - Present
New York, NY
Optimize workflows to enhance KITE's
AI-augmented research and deliver cost-effective,
accretive intelligence.

La Cima Charter School
Web Design
Fall 2024 - Present
Brooklyn, NY
Content strategy, branding, and website redesign.
Reported to the director of the school, collaborated
with teachers, administration, and IT to make a
more useful and durable web solution.

Advanced Materials Technologies
Intern
June - August 2021
Wilmington, DE
Responsible for administrative and organizational
tasks such as assisting chemists in their daily
work, preparing products for shipping, taking
inventory, and organizing materials necessary for
production.

Freelance

Web Design + Development
2020 - Present
Designed and developed accessible, responsive
web applications tailored to client aesthetics and
content. Created wireframes, built full-stack
interactive websites, and managed domains, SEO,
and analytics to ensure successful launches.

"Night Flirt" Feature Film
Screen UI Designer
2025 - Present
Responsible for conceptualizing, designing, and
developing fictional websites and digital interfaces
featured in the film. My role ensures these
on-screen elements are visually authentic and
contextually accurate.

Division7
Production Assistant
August 2023
Assisted with transporting equipment, firewatch,
and running errands.
New York, NY

"Winder" Short Film
Associate Producer, Location Manager
December 2022
Led and managed production logistics, including
equipment transport, crew travel, and
cost-efficient catering. Provided location
consultation to ensure safe and efficient shooting
conditions for the team.
New York, NY
